MEMORANDUM FOR: Mr. [] WH Division
Mr. []

SUBJECT: Fabricated arms plot.

1. Will you please provide to me as rapidly as possible the following items, Mr. [] preparing the first item and Mr. [] taking care of providing the others:

a. A brief explanatory memorandum -- without heading and without signature -- and drawn from the substance of Dispatch HGG-A-1285. This memorandum should be sufficient to put into proper context -- with the necessary explanations, and identifications of persons, etc., -- the statement of Carrera. Be sure to include in this all identifications necessary, such as the following:

- (1) IRCA is the railway
- (2) Pellerer was one of the top-ranking Communists.
- (3) Rosenberg was Deputy to Cruz Wer, the Secret Police Chief, and principal perpetrator of the savage torture and killing of over 500 Guatemalan anti-Communists. Both of them escaped to Mexico where they are now believed to be at large, although extradition has been requested.
- (4) A fuller identification of Arrevalo, etc. etc.

Will Mr. [] also please get out the full transcript of the interrogation of Perez, and from this provide in the memorandum which he will prepare such corroborating information as to the times of the more important events listed, such as the date on which he was "tipped off", the date and circumstances of his departure from Guatemala City, etc.

Please provide sufficient copies of the memorandum as I intend to use this with the British and possibly with Congresswoman Bolton.
